Erratum

Cold Spring Harb Symp Quant Biol **84** (2019) doi: 10.1101/sqb.2019.84.039644

Erratum: Attenuation of Eukaryotic Protein-Coding Gene Expression via Premature Transcription Termination

DEIRDRE C. TATOMER AND JEREMY E. WILUSZ

The abstract of this article included an extraneous word as a result of a production proofing error upon first publication. The phrase “where which the IntS11 RNA endonuclease cleaves” should have been “where the IntS11 RNA endonuclease cleaves.” The publisher apologizes for this error. In the current version of the article, the extraneous word “which” has been removed from the abstract.

Advance online articles have been peer reviewed and accepted for publication but have not yet appeared in the paper journal (edited, typeset versions may be posted when available prior to final publication). Advance online articles are citable and establish publication priority; they are indexed by PubMed from initial publication. Citations to Advance online articles must include the digital object identifier (DOIs) and date of initial publication.
